GENDER SENSITIZATION ACTION PLAN 2022-2023

7.1.1

Our college aims at providing inclusive and healthy ambience for the overall development of personality of our all girl students. It's a matter of pride that we have some students who are the first children of their homes to receive the education. Our college aims at provide a secure and a just place devoid of any discrimination to ensure the growth of students in all aspects. Propositions to achieve this objective:

1. More events and programs related to Women empowerment should be organized.
2. Further strengthening the safety and security of the campus.
3. Conducting lectures and workshops to broaden the intellectual horizon of the students.
4. Raising awareness towards physical and mental health
5. Continuity of programs emphasizing social justice and equality.
6. Organizing more workshops for hands-on vocational skills.
7. Continuity of the mentoring session.
8. Celebration of women's day every year.
9. Career oriented counseling sessions to the students.
9. Regular dental and hemoglobin check up is one of our priorities to ensure healthy life style.
10. For treating a variety of parasitic worm infection our girls student have prescribed Albendazole medicine on regular basis.
