80% of the students are satisfied with the curriculum. However, the remaining 20% suggest the following improvements:

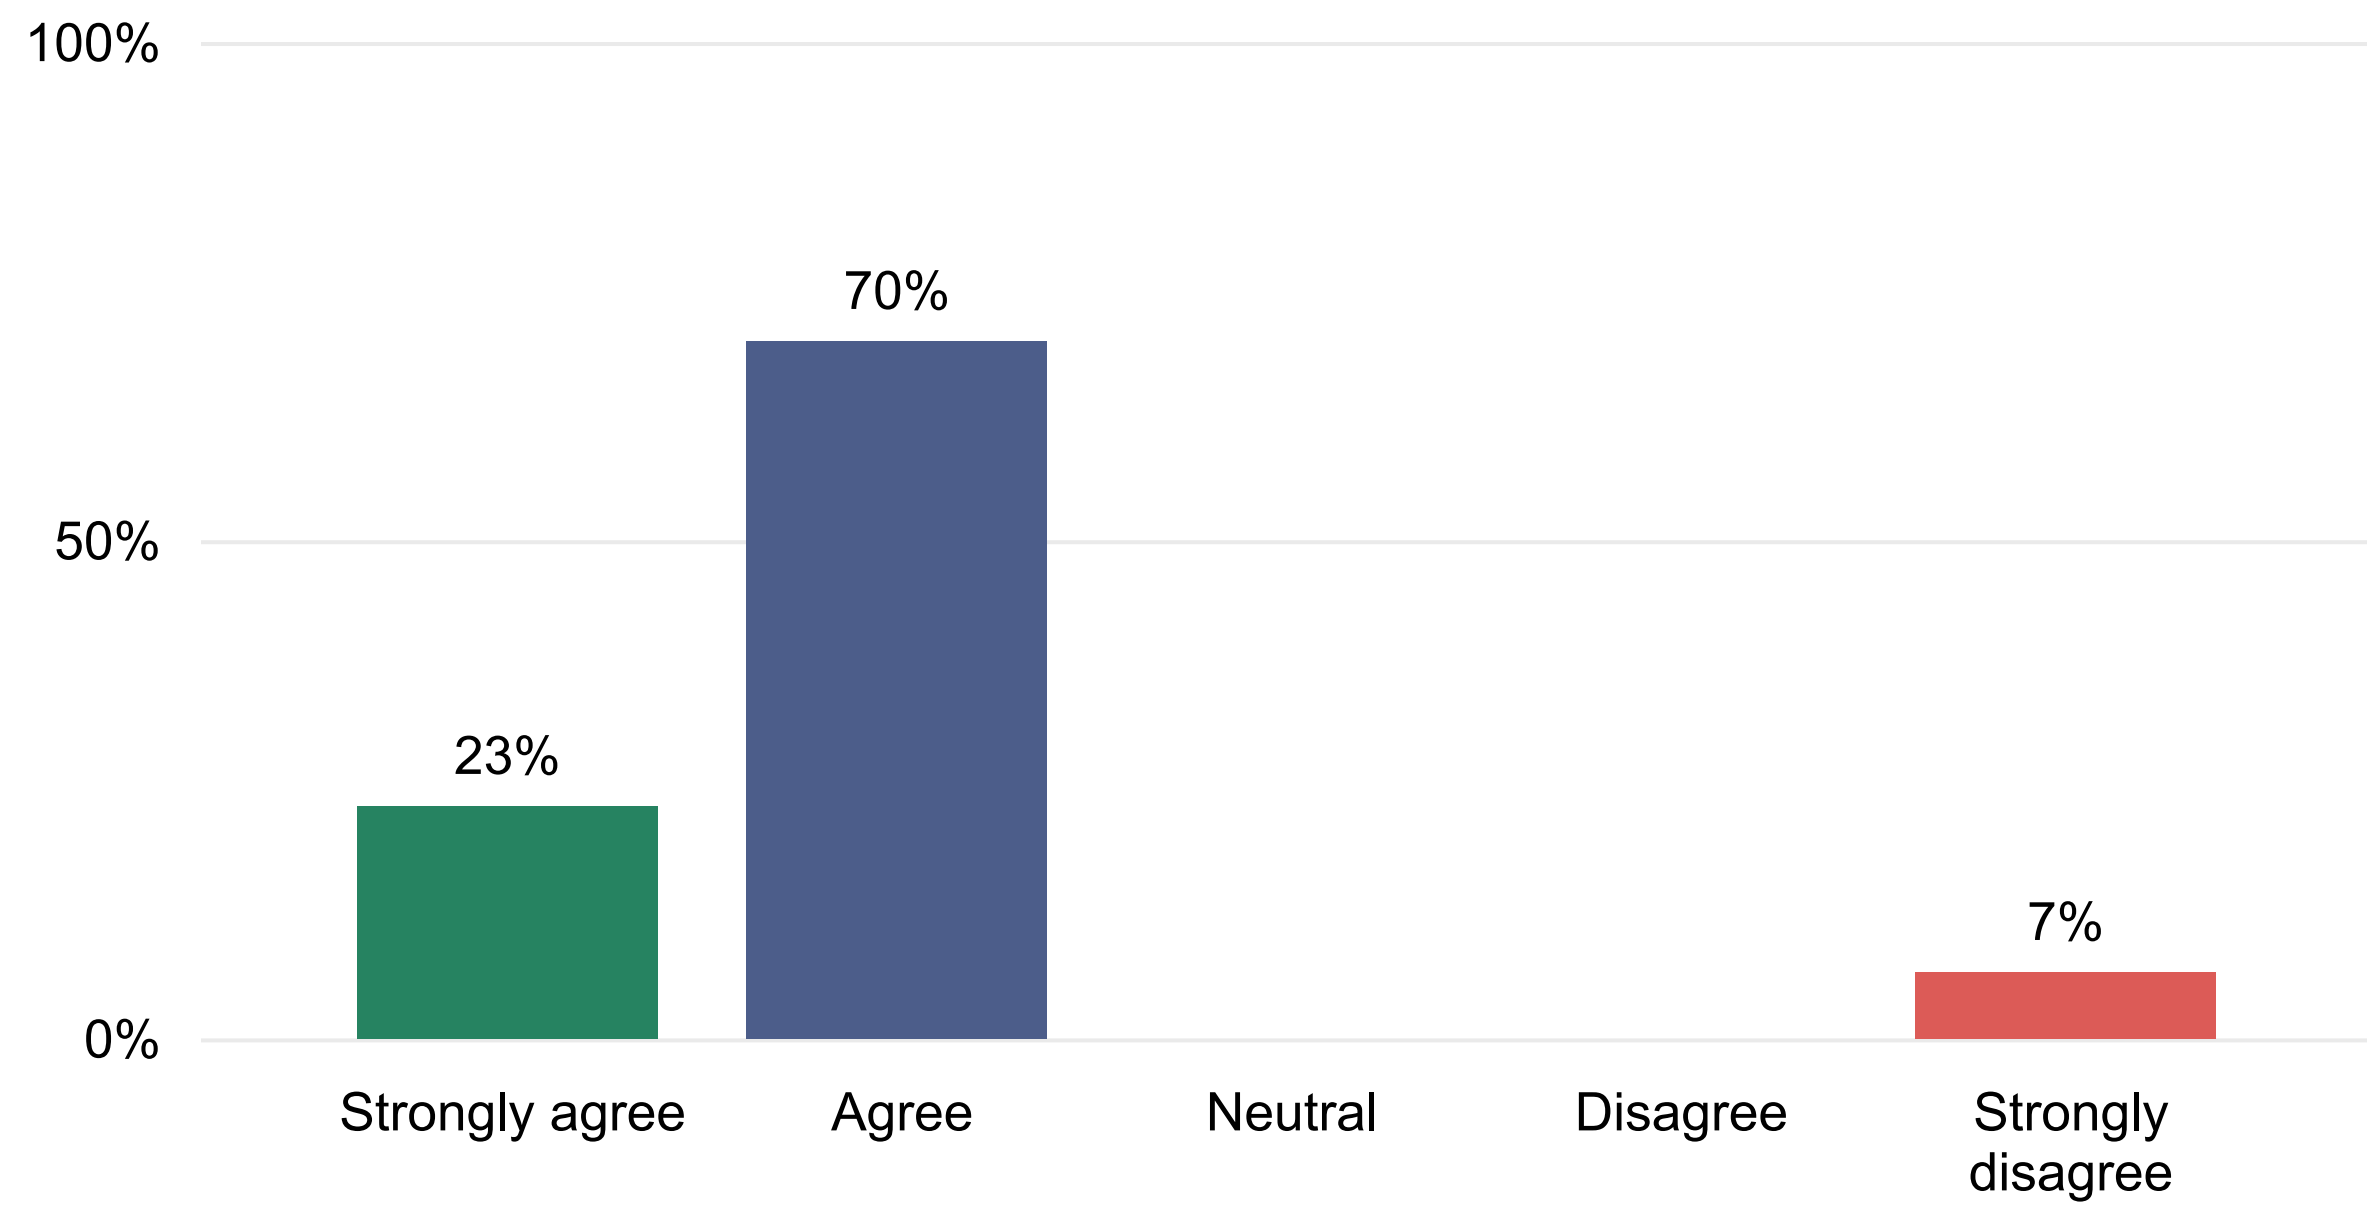

- | Add some resources in B.A syllabus for competitive exam
- | Cut down the number of subjects in B.Com as it will help in reducing the pressure faced by students during exams
- | More courses should be provided for further studies in B.A
- | Provide more effective curriculum in M.Com
- | Skills development courses (like public speaking and training workshops) can be added for curriculum development in M.Com
