### **GENDER SENSITIZATION ACTION PLAN 2022-2023**

In pursuit of fostering a safe, inclusive and empowering educational environment, our college aims at implementation of a comprehensive gender sensitization action plan. We try to promote gender sensitivity and create a supportive atmosphere for the overall development of personality of our students. It's a matter of pride that we have some students who are the first generation of their homes to receive higher education. Our college aims at providing a secure and supportive atmosphere to ensure the growth of students in personal and academic spheres. Propositions to achieve this objective include:

- Organizing more events and programmes related to Women Empowerment
- Strengthening safety and security of the campus
- Conducting motivational lectures to broaden the intellectual horizon of the students
- Raising awareness towards physical and mental health through health check-up camps
- Continuity of programmes emphasizing social justice and equality.
- Organizing workshops for hands-on vocational skills
- Meetings of the mentees with their mentors more frequently
- Celebration of women's day every year
- Career oriented counseling sessions for the students
- Regular dental and hemoglobin check-up to ensure healthy life style
